### Adjectives For Describing Animals - Materials For Learning ...

Words like feline, leonine, and porcine are adjectives used to describe animal-like characteristics. They've made plenty of appearances in literature—not to mention quite a few appearances in word puzzles! It is known that in the Prince de Conde, the aquiline nose rose out sharply and incisively from a brow slightly retreating, rather low than high, and according to the railers of the court, - a pitiless race even for genius, - constituted rather an eagle's beak than a human nose, in the ...

### DaveKoelle.com | Animal Adjectives

For many animals, particularly domesticated ones, there are specific names for males, females, young, and groups.. The best-known source of many English words used for collective groupings of animals is The Book of Saint Albans, an essay on hunting published in 1486 and attributed to Juliana Berners. Most terms used here may be found in common dictionaries and general information web sites.
