### After The Reich From The

An astonishing 2.5 million ordinary Germans were killed in the post-Reich era. A shocking account of a massive and brutal military occupation, *After the Reich* draws on an array of contemporary first-person accounts of the period to offer a bold reframing of the history of World War II and its aftermath.

### After the Reich: The Brutal History of the Allied ...

After the Reich had its moments of great interest as it recounted the chaotic, brutal, and bloody aftermath of World War 2 in Germany. However, there were times where it deviated from its focus. It got sidetracked in Austria for a while, and its endless focus on the brutal Allied actions in occupied Germany in the immediate aftermath of war was a far lengthier account than it needed to be.
