I discovered "Betrayal: The Crisis in the Catholic Church," which was written by the Globe's Spotlight team. I thought I was getting a book about the Spotlight team and how it conducted its investigation into the Catholic church sex abuse scandal. But that really isn't at all what this book is about.

Betrayal is a solid summation of the Catholic child molestation scandal in Boston. The story all but defies belief. I finally got around to reading this book when Cardinal Law died. He was truly a despicable human being and deserved to live his final years in a jail cell rather than in comfortable retirement in the Vatican.

The Bostock Betrayal. Crisis Magazine. On Monday, the Supreme Court handed down its decision on Bostock v. Clayton County. In it, the Court decided that the Civil Rights Act of 1964 would retroactively apply to homosexuals and transgenders, protecting them against employment discrimination. What was once the stuff of BuzzFeed rants is now the law of the land: homophobia and transphobia are now morally equivalent to racism and misogyny in the United States of America.
