This book started out reading like poetry--but as I read I got lost in the muddle that was the life of the author. I really thought this book would be good--but I couldn't bring myself to finish it. As I read further I remember that I had begun this book some time ago and didn't finish it then either.

Question: "How should Christian parents respond if one of their children comes out as gay?"  
Answer: If a child reveals his or her homosexuality, the first thing for Christian parents to do is let their child know that, no matter what, love and grace will win the day. Mom and dad's love will continue, regardless.
