the beginnings of Islam to the present day. This book demonstrates how historical circumstances, social status, gender, age and other factors interacted with religious ideals to create a rich variety of charitable practices.

## **Charity in Islamic Societies (Themes in Islamic History ...**

Several different categories of charity are defined in Islam, the two most important being zakat (obligatory charity) and sadaqa (voluntary charity). Zakat is a specific, standardized percentage of one's extra wealth (over and above the necessities of life) that must be given to the poor and those in need.

...

The Concept of Charity: Charity is the act of extending love and kindness to others unconditionally, which is a conscious act but the decision is made by the heart, without expecting a reward. When Charity is carried out selflessly, it is a one-way act where a person gives but asks for nothing in return.
