Crimson Circle Shadow Detective Book

Crimson Circle is quite the page turner written by William Massa. The author continues to come up with imaginative plots that keep our main character on his toes. This series is definitely one of those that should be read from the first book to begin with, since there is an underlying story present that continues throughout, but each book does have a conclusion, but also a sort of cliff hanger at the end.

Crimson Circle (Shadow Detective #8) by William Massa

Mike Raven's nine-book story/character arc is building toward the final climax, and the inevitable showdown with the archdemon Morgal. William Massa consistently brings top-level action sequences, innovative horror situations (this time including a haunted special effects warehouse), and compelling characters.

Books by William Massa (Author of Damnation Code)

Cursed City may surprise you. It is not what at first seems to be. It starts okay enough. It gives you a lot of familiar things (if you like Supernatural, you know what I'm talking about), introduces you to decent protagonists, introduces them to some annoying ones, goes back into the past a bit to explain certain things, sets the stage of a world that is getting closer to Hell (that's ...
