Mr. Nussbaum History French and Indian War Activities

Causes of the French and Indian War. The French and Indian War began over the specific issue of whether the upper Ohio River valley was a part of the British Empire, and therefore open for trade and settlement by Virginians and Pennsylvanians, or part of the French Empire. Behind this issue loomed an infinitely larger one, however: which national culture was to dominate the

French and Indian War | Causes, Facts, & Summary | Britannica

The French and Indian War (1754–1763) pitted the colonies of British America against those of New France, each side supported by military units from the parent country and by American Indian allies. At the start of the war, the French colonies had a population of roughly 60,000 settlers, compared with 2 million in the British colonies. The outnumbered French particularly depended on the Indians.
