Glider Handbook - Federal Aviation Administration

(REVISED TEXT 2014) The Glider Flying Handbook (FAA-H-8083-13A) 2013 Edition - This is the FAA's primary technical manual for the required aeronautical knowledge necessary to operate a glider.

Glider Flying Handbook (FAA Handbooks): Transportation, U ...

Very thorough, comprehensive, and detailed, well organized by chapters covering the full range of glider flying topics. The only minor shortcoming might have been including a chapter on radio communications in case flying takes place at private airports or when getting close to commercial airspace.

Glider Flying Handbook: #FAA-H-8083-13 (FAA Handbooks ...

There is no "2020" edition of the Glider Flying Handbook. The official copy published by the FAA was released on 9/13/2013 and has not been updated since. It is available free of charge as a PDF on the FAA website. Please do not be fooled by this listing.

Federal Aviation Administration Glider Flying Handbook ...

The previous edition of the GFH (FAA-H-8083-13 and dated 2003) was printed by Skyhorse publishing. It was printed on calendared (coated) stock, and was a much sturdier book than this current version, printed by ASA. That said, this new version is first-rate, even though probably 95% of the information is exactly the same as the previous version.

Glider Flying Handbook: FAA-H-8083-13A (ASA FAA Handbook ...

This handbook supersedes FAA-H-8083-13, Glider Flying Handbook, dated 2003. Always select the latest edition of any publication and check the website for errata pages and listing of changes to FAA educational publications developed by the FAA's Airman Testing Standards Branch, AFS-630.

Glider Flying Handbook - Federal Aviation Administration

The Glider Flying Handbook issued by the Federal Aviation Administration in the United States is designed as a technical manual for applicants who are preparing for glider category rating and for currently certificated glider pilots who wish to improve their knowledge. Flight instructors will find this handbook a valuable training aid, since ...

The Glider Flying Handbook - doc.glidingaustralia.org

FAA-H-8083-13A Glider Flying Handbook . Updated May 11, 2015 . Errata as of May 11, 2015 1. In the first bullet under "Other Airspeed Limitations" in the left column of page 4-6, the first sentence should be changed to: "Maneuvering speed (V a) - a structural design
