Interpretation) Some of Schleiermacher's most important philosophical work concerns the theories of interpretation ("hermeneutics") and translation. Friedrich Schlegel was an immediate influence on his thought here.

Friedrich Daniel Ernst Schleiermacher (Stanford ...

For Schleiermacher, hermeneutics was a theory of understanding other minds that are problematically remote in time, language, or culture. He argued that the primary object of understanding is not the meaning entailed in a given text (grammatical content), but the intentional consciousness of its author (technical-psychological content).
