16-part American literature course. The video programs, print guides, and Web site place literary movements and authors within the context of history and culture. The course takes an expanded view of American literary movements, bringing in a diversity of voices and tracing the continuity among them.

## Passages A **United States**

Native Americans had established a rich and highly developed tradition of oral literature long before the writings of the European colonists. This program explores that richness by introducing Native American oral traditions through the work of three contemporary authors: Leslie Marmon Silko (Laguna Pueblo),
