This book is a standalone followup to the Top 100 Kindle Store bestseller I Married a Billionaire and I Married a Billionaire: Lost & Found. Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining.

### I Married a Billionaire: The Prodigal Son by Melanie Marchande

"I Married a Billionaire: The Complete Box Set Trilogy," by Melanie Marchande is sexy and unusual. The main characters aren't your typical romance novel couple. I never got a clear idea of what they looked like or the impression either of them were very likable.

Would you consider the audio edition of I Married a Billionaire to be better than the print version? The narrator was a little breathy like she had a cold but once you get used to that the story itself was good. It did cause me a little stress closer to the end, but soon got back to where I needed it to be.
