Immunity to Change: How to Overcome It and Unlock Potential in Yourself and Your Organization. Unlock your potential and finally move forward. A recent study showed that when doctors tell heart patients they will die if they don't change their habits, only one in seven will be able to follow through successfully.

Immunity to Change: How to Overcome It and Unlock ...

Immunity to Change is not so much a book about resisting change as it is a book of one's identity. The authors' claim is that the reason we are resistant to change is because change challenges one's current identity and that going through an identity crisis part of growing in leadership.

Amazon.com: Immunity to Change: How to Overcome It and ...

Adaptive change requires a shift in mindset, not just behavior. And as Kegan and Lahey explain in their book, *Immunity to Change: How to Overcome It and Unlock the Potential in Yourself and Your Organization* (Harvard Business Press, 2009), this sort of change necessarily involves a certain amount of self-inquiry and self-exploration. Their systematic method for accomplishing that work, and for overcoming our inherent resistance to it, has now been successfully used by a number of ...

How to Overcome Immunity to Change - Experience Life

Two Harvard Graduate School of Education faculty members — Professor Robert Kegan and Lecturer Lisa Lahey — have built a body of work aimed at helping adult learners and leaders overcome this innate human aversion to change, a phenomenon they call Immunity to Change. With their Immunity to Change method, Robert Kegan and Lisa Lahey have guided a generation of adult leaders to overcome barriers, find new solutions, and embrace the change they want to make.
