Communication Journals Communication studies address a broad range of interactions. The communication journals on Questia explore changes in the nature and mechanics of those interactions against the backdrop of their context: social communications, interpersonal communications, electronic communications, and business communications, among others.

Communication Journals | Online Research Library: Questia

The International Journal of Communication is a multi-disciplinary journal, thus authors must communicate to a wide audience rather than just those within their own field. Language must, therefore, be direct and void of unnecessary jargon and technical terms. Please use the active voice as much as possible. Submission Guidelines to the IJoC System
