Labor Relations: Striking a Balance: Budd, John ...

This textbook presents labor relations as a system for balancing employment relationship goals (efficiency, equity, and voice) and the rights of labor and management. By weaving these themes with the importance of alternative perspectives on the nature of the employment relationship throughout the text, students can learn not only how the traditional labor relations processes work, but also why these processes exist and how to evaluate whether they are working.

Labor Relations: Striking a Balance: Budd, John W ...

Budd presents labor relations as a system for balancing employment relationship goals (efficiency, equity, and voice) and the rights of labor and management. By weaving these themes with the importance of alternative perspectives on the nature of employment relationship throughout the text, students can learn not only how the traditional labor relations processes work, but also why these processes exist and how to evaluate whether they are working.
