### Love Story by Jennifer Echols - Goodreads

Still, Jennifer Echols does know how to tell a good story! Love Story is the story of Erin, a girl in college, who wants to be a writer and decides to pursue this dream even though it means giving up her family and their support, as they'd rather Erin manage their family's affluent racehorsing farm.

This is a pretty typical romance story. Erin and Hunter are likable characters and their romance will keep readers turning the pages, but both are at times unrealistic. Erin's issues keep piling up as the story moves along, through flashbacks and her assignments for her creative writing class. There is some sex in the story, but it isn't explicit.

Love Story(11) Jennifer Echols. At least, that s what I hoped.
