Land Rover. Many Land Rover historians consider the Series IIA to be the best of the Series models, it exists in a Goldilocks zone between refinement and simplicity - before the crack-prone plastic dashboards of the Series III but after some engine and transmission improvements over the Series II. Land Rover used the Series IIA as a transitional model between the Series II and the Series III, the lights were moved from the grill to the front wings in 1969, a new diesel engine was offered ...
