### **Memento Mori: A Simple Practice for a Complex Time ...**

The Memento script was one of the first I ever sought out and read. It was a unique expression of structure, tone, and storytelling. I had never seen a movie like it, and when I read the script it inspired me to try to write myself. None of my backward stories ever worked completely well, but I love how the screenplay still amazes me today.

But I tried to apply this thought process particularly on the recording process of Memento Mori. I like to think that when I play drums, it creates a feeling of energy and movement that lets me improvise in a brainstorming kind of way. That may make me go off on tangents that don't fit the song but that feel so enjoyable to play.
