More Than Real A History

More than Real draws our attention to a period in Indian history that signified major civilizational change and the emergence of a new, proto-modern vision. In general, India conceived of the imagination as a causative agent: things we perceive are real because we imagine them.

The Great Wall of China is an extraordinary feat of construction, first begun in the 5th century BC, which stretches for more than 5,500 miles. However, many aspects of this description are quite misleading. The only sections of the Wall surviving today have been continuously renovated and rebuilt, and are therefore in fact modern constructions.

But the real history of Hanukkah's origins is more complicated. It is as much the tale of a Jewish civil war as it is about successful resistance against foreign interlopers. What's more, the miracle of oil — the inspiration for most of the contemporary holiday's key rituals — did not even become a part of Hanukkah's mythos until ...

The Real History Of Hanukkah Is More Complicated Than You ...

A thumbnail history shows marked similarities to today's fakery in editorial motive or public gullibility, not to mention the blurred lines between deliberate and accidental flimflam. It also suggests that the recent fixation on fake news has more to do with macro-level trends than any new brand of faux content.

The real history of fake news - Columbia Journalism Review

A 2008 study by the Intercollegiate Studies Institute, which surveyed more than 2,500 Americans, found that only half of adults in the country could name the three branches of government.

... "It's funny, I made the observation some time ago that Star Wars history is almost more sacrosanct than real history. When you do a historical movie you can change historical events. You know, you see 'some events have been changed for dramatic purposes.' You can't do that for Star Wars!

Star Wars Is More Sacrosanct Than Real History | Screen Rant

U.S. REITs were established by Congress in 1960 to give all investors, especially small investors, access to income-producing real estate. Since then, the U.S. REIT approach has flourished and served as the model for more than 35 countries around the world. REITs help build local communities through new development. On Sept. 14, 1960 President Dwight D. Eisenhower signed legislation that created a new approach to income-
