Riding Mowers | MTD Service Repair Workshop Manuals

The MTD numbering system is based on a 6 digit number. Private label or Customer model numbers are 9 digits. The last three numbers (Customer designation) indicate that something is different from the basic MTD number designated by the first 6 digits. The difference may be only the color or it may have different wheels, handles, shrouds, etc.

Mtd Ride On Lawn Mowers - All Mower Spares

Hello, I have a MTD n470e . It recently stopped driving forward, however it still drives in reverse fine. When I put it in forward, it acts like it is trying to move forward, but it is clunking and clicking, like it is trying to engage gear but slipping... this is the best description I can think of.
