Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

### My Heart My Home Men

It's the pressure in your when your heart is relaxed, between heartbeats. Normal blood pressure for an adult, when you're at rest, is less than 120 over less than 80. The 120 is the systolic pressure.
