Easy Origami Instructions and Diagrams

As an origami creator, I love creating new origami models, but dread creating origami diagrams. It can be tedious, challenging and time-consuming work, even for those of us who are skilled with

graphic design programs. The time and effort that diagramming requires are huge barriers to producing instructions and publishing books.

Diagrams Archives - Page 2 of 3 - Jo Nakashima

I'm not sure if you still need help, but I just folded this model today. From my understanding of the diagram, step 70 is only transient, in that you wrap it around temporarily (while stressing the paper) to make creases for the thumb, then unfold the wrapping to continue. In steps 99 and 101, you wrap the layer permanently to lock the model.
