**Orphans Of Versailles The Germans**

Orphans of Versailles examines the complex psychological and political situation of Germans consigned to Poland, their treatment by the Polish government and society, their diverse strategies for survival, their place in international relations, and the impact of National Socialism.

**Orphans Of Versailles: The Germans in Western Poland, 1918 ...**

Orphans Of Versailles. Book Description: The lands Germany ceded to Poland after World War I included more than one million ethnic Germans for whom the change meant a sharp reversal of roles. The Polish government now confronted a German minority in a region where power relationships had been the other way around for more than a century.

Orphans Of Versailles: The Germans in Western Poland, 1918-1939 ... But not many know of the Versailles treaty's impact on Germany's eastern frontiers, and what the long-term historical background was for Hitler's invasion and the vicious occupation policies in Poland. Blanke's book is an important addition to our understanding of both issues.
