The argument in this book goes all the way back to Paul Valery, Derrida's inspiration, who misunderstood Saussure. Valery argues that philosophy has all the marks of literature, and so is indistinguishable from it, and so just is more literature -- no different from comic books, graffiti and wedding vows.

Nietzsche's Case : Philosophy as/and Literature

The philosophy of literature. Strictly speaking, the philosophy of literature is a branch of aesthetics, the branch of philosophy that deals with the question, "what is art"? Much of aesthetic philosophy has traditionally focused on the plastic arts or music, however, at the expense of the verbal arts. In fact, much traditional discussion of aesthetic philosophy seeks to establish criteria of artistic quality that are indifferent to the subject matter being depicted.

I hope I have clinched my case for analytic philosophy as belles lettres. But perhaps I should give the last word to a real literary man, John Milton, who prophetically wrote of Kripke, Russell and their kind: How charming is divine philosophy! Not harsh and crabbed as dull fools suppose, But musical as is Apollo's lute
