Western imperialism has always been shadowed by terrorism and insurgency. In this provocative history, David Tucker argues that "irregular warfare"—including terrorism, guerrilla warfare, and other insurgency tactics—is intimately linked to the rise and decline of Euro-American empire around the globe. Tracing the evolution of resistance warfare from the age of the

Alongside the three revolutions we usually identify with the long eighteenth century—the French Revolution, the American Revolution, and the Glorious Revolution of 1688—Enlightenment ideology gave rise to a quieter but no less significant revolution which was largely the fruit of women's imagination and the result of women's work. In *The Domestic Revolution*, Eve Tavor Bannet

The following is an excerpt from David Tucker's latest book, *Revolution and Resistance: Moral Revolution, Military Might, and the End of Empire*: Modern history began when Europeans sailed out into the great world to conquer it. That history has been coming to an end for decades now.

Revolution and Resistance | JHU Press

Revolution links the forces that shaped postwar fiction to the dynamics of revolutionary events in other eras and social domains. Like physicists at the turn of the twentieth century or the French peasantry of 1789, midcentury writers confronted a world that did not fit their existing models.

Prelude to Revolution tells the story of a critical event in America's early history, when a new nation's fate was still uncertain. Before colonial Americans could declare independence, they had to undergo a change of heart. Beyond a desire to rebel against British mercantile and fiscal policies, they had to believe that they could stand up to the fully armed British soldier.

The gripping story of Virginia's fraught ratification of the U.S. Constitution. In May 1788, the roads into Richmond overflowed with horses and stagecoaches. From every county, specially elected representatives made their way to the capital city for the Virginia Ratification Convention. Together, these delegates—zealous advocates selected by Virginia's deadlocked citizens—would
