Roofwalker

Roofwalker is a collection of short stories centering on Native American culture, mainly about women and children. The stories at the end are non-fiction I believe, some memories, some story telling in how the author came to grow up in Chicago. Exceptional writing and story telling. flag 2 likes · Like · see review

Roofwalker by Susan Power - Goodreads

Roofwalker evokes a world in which spirits and the living commingle and Sioux culture and modern life collide with disarming power, humor, and joy. The characters grapple with

potent forces of family, history, and belief—forces that at times dare them to do more to feed their identity, and at times simply paralyze them.
