However, the Russian multi-party system is different from those existing in most democratic countries. Political parties in Russia have failed to develop in the way they developed in other post-communist countries moving from authoritarianism to democracy. Many observers agree that Russian parties play only a small role in Russia's political life.

The structure of the new Russian government differed significantly from that of the former Soviet republic. It was characterized by a power struggle between the executive and legislative branches, primarily over issues of constitutional authority and the pace and direction of democratic and economic reform. Conflicts came to a head in September 1993 when President Yeltsin dissolved the Russian parliament (the Congress of People's Deputies and the Supreme Soviet); some deputies and their ...
