The WSU Safety Policies and Procedures Manual (SPPM) is the primary publication used by the University administration to distribute safety and health information, directives, policies, and regulations to the University community. See the SPPM Table of Contents, for the complete list of subjects that the SPPM covers.

Introduction to the Safety Policies and Procedures Manual

The policy manual is a written expression of the rules governing the employer/employee relationship. It is essential, today more than ever, for a company to protect its rights within that relationship by policies that are both fair and legal. However, when not done properly, a policy and procedure manual could do more harm than good.
