While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Saving Elliot Kindle Edition Northbynorth

Saving Elliot is the most wonderful book I have ever read online / Wattpad. It's an amazing story about a teenage boy (named Elliot Fintry) who moves to Great Britain and to a new family named the Jensen's. Turns out, he's not the only Elliot around. Elliot Jensen, from the start, is enemies with Fintry. But could they be more than enemies?

Well what can I say except that Kelly Elliott has done it again. Saving You is book 2 in her Love Wanted in Texas Series. It follows the story of Luke and Libby. I have to say that this book is my favorite so far of this series. It reminds me of why I loved the Wanted Series and Kelly Elliott's books so much. This book was a fairly quick read.
