Survival By Margaret Atwood

Survival: A Thematic Guide to Canadian Literature is a survey of Canadian literature by Margaret Atwood, one of the best-known Canadian authors. It was first published by House of Anansi in 1972. A work of literary criticism, as Atwood writes in her preface to the 2004 edition, Survival was an attempt to deal with her belief that in the early 1970s, Canadian literature was still looking for a grounding in a national identity that would be comparable to that of Great Britain or the United States.

Survival: A Thematic Guide to Canadian Literature - Wikipedia

Margaret Atwood's thesis was that the dominant theme which made Canadian literature unique was that of survival. Canada protagonists could survive or perish but never triumph. Atwood felt that this attitude was derived from the fact that Canada had been founded in law as a British colony and then s

Atwood's *Survival* was a seminal book for me back in the 1970's. Her theory that there are national themes in literature is very useful for studying cultures generally. The rap on the book is that she has not done a thorough, scholarly job of research and tends to favour references to books written by her friends or published by her publisher.

from Atwood's Survival

Initially published in the early '70s, Margaret Atwood's *Survival* dared to think critically about Canadian literature when its existence alone was a matter of fierce debate. In the book, Atwood tries to locate the central preoccupations of our poetry and fiction, and she succeeds by providing whip-smart criticism written in her distinctly provocative voice.

Survival: A Thematic Guide to Canadian Literature, by Margaret Atwood (Toronto, 1972), has enjoyed a controversial, sometimes heated reception. Readers who disagree with Atwood find her thesis - that most Canadian literature deals with victims of various types and that "grim survival" is its central theme - forced, and argue that she has selected

Abstract This thesis examines *Oryx and Crake* and *The Year of the Flood*, speculative fiction novels by Margaret Atwood. I argue that storytelling is a means of survival in both novels, since protagonists rely on telling their own stories in order to be able to deal with their situations of survivors of apocalypse.

Storytelling as Survival in Margaret Atwood's *Oryx and ...*

In *Survival: A Thematic Guide to Canadian Literature* (1972), Atwood discerns a uniquely Canadian literature, distinct from its American and British counterparts. Canadian literature, she argues, is primarily concerned with victims and with the victim's ability to survive unforgiving circumstances.
