A Field of Study (FOS) is a selection of lower-division courses that are guaranteed by state law (Texas Education Code, Chapter 61, Section 61.823) to transfer and apply to a degree program. If a student takes all the courses in an FOS and then transfers to another Texas public institution of higher education,

Online Library Texes Computer Science Study

the FOS is guaranteed to transfer as a block and must be applied to the appropriate ...

Field of Study Curricula - THECB

How to Study for Computer Science. In most elementary schools, high schools and colleges, computer science is still an elective course.

However, a growing number of education institutions – at every

Online Library
