The Effect Of Social Reform

Leaders of social reform movements often cited the pernicious effects of crowding, inadequate sunlight, and poor air circulation on immigrants. Alcohol abuse, mental illness, prostitution, street violence, and other forms of social deviance were sometimes linked to the debilitating effects of the slums in which they occurred.

Social Reform - an overview | ScienceDirect Topics

Political and Social Reforms During the Progressive Era (1900–1920), the country grappled with the problems caused by industrialization and urbanization. Progressivism, an urban, middle-class reform movement, supported the government taking a greater role in addressing such issues as the control of big business and the welfare of the public.

Political and Social Reforms

The AARP Public Policy Institute examines the effects of proposed Social Security reforms on various groups. While many reform discussions center on the solvency effects of proposals, the bulk of the AARP Public Policy Institute's work focuses on the distributional impacts of proposed changes to Social Security. In particular, much of this work centers on the adequacy of benefits—that is, understanding the effects of proposed changes on recipients, especially for those with intermittent ...
