DIY Marbling: Learn From the Experts

Your pattern doesn't have to be perfect – don't worry about "marbling" the shaving cream too much. It will do all it's marbling magic on its own. Place the paper, tape side up, onto the shaving cream. Use your fingers to gently press down the paper so that as much of it makes contact with the shaving cream as possible.

DIY Paper Marbling

Easy Technique for Marbling Paper We haven't marbled anything since our Marbleized Easter Eggs , so when I signed up to do a marbling activity for the Painting Challenge (Fun Painting Techniques) hosted by Louise from Messy Little Monster I knew this would be a fun new art technique we could explore and add our own creative touch.

Easy Technique for Marbling Paper

Art of Marbling with Craft Paints – Martha Stewart Crafts I was watching a home decorating television show a couple of weeks ago that showed marbling art. I had never heard of marbling before and thought it looked really interesting, something that could also be fun to do with children.

Art of Marbling with Craft Paints - Martha Stewart Crafts

1. Shaving Foam. The shaving foam (not cream) method is one of the easiest, least expensive, and most kid-friendly methods of marbleizing paper. And because it uses foam instead of water, there's less chance of your pigment settling to the bottom of the pan.

5 Techniques for Marbling Paper

Marbling is the technique of creating multicolored swirls or stone-line patterns on the surface of your choice. It's meant to imitate the swirling designs found in marble and other types of stone. Marbling paint makes marbling easy. It adheres to a variety of surfaces, including 3-D objects and fabrics.

Marbling Supplies

An easy tutorial on how to make a leopard print Clay slab and turn it into stunning polymer clay earrings. Over the last year I have been loving the polymer clay jewelry trend. I've even spent a pretty penny on some earrings from Etsy and Instagram.
