Third World Film Making And

Roy Armes is a well-known name in film studies, and this book fills a much-needed void. Though "Third World Film Making and the West" was published in 1987, and is thus almost two decades old at this point, it is still the best available introduction to Third World (hereafter TW) cinema--with the caveat that the text spends as much if not more time passing judgment on the socio-economics and ...

Third World Film Making and the West by Roy Armes
