Main Idea (Grades 3-4) Lesson Plan | Clarendon Learning

By using tiered lesson plans you can meet each student's individual learning needs. By Dawn Dodson. While this might not be true for everyone, I find that one of the most challenging aspects in teaching is consistently meeting each individual student's needs. Although this seems like something simple and obvious to do, for me it means being able to provide challenges for each student at every ability level, in each of my middle school language arts classes, every day.
