a path of pain and upheaval in its wake, says Becky Posey Williams.

Learning how to 'Do No Harm' | United Methodist News Service

"First, Do No Harm" takes what could be an overused trope (the spooky list of rules) and turns it into a nuanced, character-driven story about learning to let go of the past. There's no shortage of blood and gore here - McGrail succeeds in creating that atmosphere of horror from the get-go - but the characters are where his talents really shine.

Latin phrase that means " first, do no harm ." The phrase is sometimes recorded as *primum nil nocere*. Non-maleficence, which is derived from the maxim, is one of the principal precepts of bioethics that all students in healthcare are taught in school and is a fundamental principle throughout the world.

Primum non nocere - Wikipedia

So you can't tell ahead of time whether a test or treatment will "do no harm." Your diagnosis is serious — for example, an inoperable cancer — and treatment can only cause harm. Here, the "first, do no harm" mandate is irrelevant again. The only reasonable course of care is to offer comfort, support, and relief of suffering.
