Supporting democracy not only promotes such fundamental American values as religious freedom and worker rights, but also helps create a more secure, stable, and prosperous global arena in which the United States can advance its national interests. In addition, democracy is the one national interest that helps to secure all the others.

Human Rights and Democracy - United States Department of State

The United States of America is governed as a federal republic, and therefore some argue that the U.S. is not a democracy. A republic is defined as a political system in which the supreme power is vested upon the citizenry that is entitled to vote for its representatives and officers responsible to them, while a democracy is defined as a government of the people and by the people exercised through elected or direct representative.

Is the United States a Republic or a Democracy? - WorldAtlas

Government and Democracy in the U.S. The United States is a representative democracy, which means that the citizens elect the government. The democracy in the United States formed with the 13 colonies and the very first constitution written in the confined small space in top secrecy.

Government and Democracy in the U.S.

Democracy in the United States The United States is a representative democracy. This means that our government is elected by citizens. Here, citizens vote for their government officials. These officials represent the citizens' ideas and concerns in government. Voting is one way to participate in our democracy.

Democracy in the United States

The United States is an indirect democracy or a republic. While each citizen only has a small say, they do have some say in how the government is run and who runs the government. Interesting Facts about Democracy The word "democracy" comes from the Greek word "demos" which means "people."

US Government for Kids: Democracy

Yes, the United States is a democracy, since we, the people, hold the ultimate political power. We're not a "direct democracy," but we are a "representative democracy." This is where our history education might add some confusion. We are commonly taught that democracy is a product of ancient Greece.

Is the United States a democracy or a republic? | RepresentUs

Democracy in America was published in two volumes, the first in 1835 and the other in 1840. It was immediately popular in both Europe and the United States, while also having a profound impact on the French population. By the twentieth century, it had become a classic work of political science, social science, and history.
